

Grandma Chandra

Dear friends,

Time flies, just a few more days and Grandma Chandra and her mother Cat will arrive at Schiphol Airport.

And as it was last year many people wish to meet and Be with Grandma Chandra. The first meeting with Grandma Chandra on September 27th is already fully booked. There will be a second meeting with Chandra on September 29th.

This meeting is a follow up on the September 27 one and is about the new Love energy that wants to integrate and descend into all of us from the state of Be-ingness.

At the same time it is a gathering in its own right and what we will create together that evening is what will feel good to do at the moment. The fact that we have a respectable size group (up to one hundred people), makes the difference for you as an individual and for the collective field.

You are welcome !

If you have registered for the 27th and also desire to Be present on September 29, you're more than welcome.

Date: Thursday September 29th 2011

Location: Silo Church, Herenstraat 34-36 in Utrecht

Time: 17.00 – ca. 20.00

We would also like to draw attention again to the following events:

Meeting of young adults (17-28 years)

On October 1, there will be a gathering of young people of 17-28 years old, Chandra's age. Chandra has a special preference for working with peers. Why?

Chandra radiates new possibilities that these young adults either subconsciously recognize or are very fast in picking up as it belongs to them.

It is most of all the speed of exchange and the ease of collaboration that they will enjoy. Chandra carries within the geometry of the New World and helps them remember that they carry it within them too. Through her energy they can better feel, see and possibly articulate that information.

Chandra helps them to experience how this 'Internet' works through the air, how fast they can download 'packs' in their system and how easy it is to co-create on a program, be it with both the software and the application.

This gives a tremendous empowerment and recognition of new opportunities for which it is timely for them as multidimensional beings to use it in the world in an area that makes them feel happy and content.

The afternoon has no fixed program. Please bring your favorite musical instrument. It is important to have fun together and while doing so much can happen.

Date: Saturday, October 1, 2011

Location: Vrije School, Hieronymusplantsoen 3 in Utrecht

Time: 15.00 to approximately 17.00

Price: € 11.00

An experience of Ardjan Vermuë, son of Joanne Wijgerden and Jaap Vermuë:

My name is Ardjan and I have been studying for a while in Maastricht. After I came back this summer from travelling abroad for a few months, I ran into a concrete 'mental wall' that I had never experienced like this before. As these last few months my body was set to feel a true state of living and I couldn't switch back to the way of thinking and performing of a University.

Now I am searching for a balance of further developing my consciousness and at the same time to make the transformation to give it a place within the structure of our society and so

empower it. I am also searching at how to align and integrate my spiritual gift in the realization of my passion and in daily life.

Date: Saturday, October 1, 2011

Location: De Vrije School, Hieronymusplantsoen 3, in Utrecht

Time: 15.00 – ca. 17.00

And:

Meeting for parents and children

On Oct. 2 there will be an event of Grandma Chandra meeting children and their parents.

Chandra carries a beautiful big Love field in her energy and she sees and ‘reads’ the consciousness field of children (and adults).

She doesn’t work so much ‘one on one’ as she works multi-dimensionally, so in many levels of consciousness simultaneously. Children can be who they are simply because Chandra knows the potential of children and they recognize her energy.

Children carry the changes of the fifth dimension in a natural and playful way in themselves. They Are the change. If we as adults can understand and sense them better much will happen in an organic way.

This afternoon is to play and enjoy while the ‘work’ will be done by meeting and having fun, through drawing, music, dreams

Date: Sunday, October 2, 2011

Location: de Vrije School, Hieronymusplantsoen 3 in Utrecht

Time: 15.00 until approximately 17.30

Price: € 33.00
